

PRASIDA AYURVEDA CLINIC

Namaste, greetings from Team Prasida.

After a 14 year journey, Prasida Ayurveda Clinic is branching out, we are starting very soon at Jayanagar, Bangalore.

Jayanagar! because we always loved to be accessible, and easy to locate. People familiar with Jayanagar need no further elaboration, and for those who aren't, Jayanagar is well connected and a popular location, it historically marked the southern end of Bangalore during the formative years of this grand capital city.

Prasida is a short 9 minute walk from the Green Line Namma Metro Jayanagar Station, and is within 200 meters of the iconic Jayanagar Shopping Complex.

Initially our new consultation branch will be operating for about a week every month. With the centralised appointment booking, our physicians' schedules between Prasida Salt Lake, Kolkata, and Prasida Jayanagar, Bangalore, stay streamlined.

We are happy to announce our new branch address commencing from Phālguna Krishna Pratipadā, Tuesday the 26th of March 2024, a day after the most auspicious Holi Mahotsava.
