

PRASIDA AYURVEDA CLINIC

Namaste, greetings from Team Prasida.

It has been a fulfilling and a healing journey together, since Prasida started 12 years ago.

To keep up with the growing necessities, to improve our clinical services, and to be more accessible and easy to locate, we had to move a bit away from the residential zones. We shifted the clinic to one of the best professional surrounds, speckled with the most prestigious institutions, at Sector 5, Salt Lake City, Kolkata.

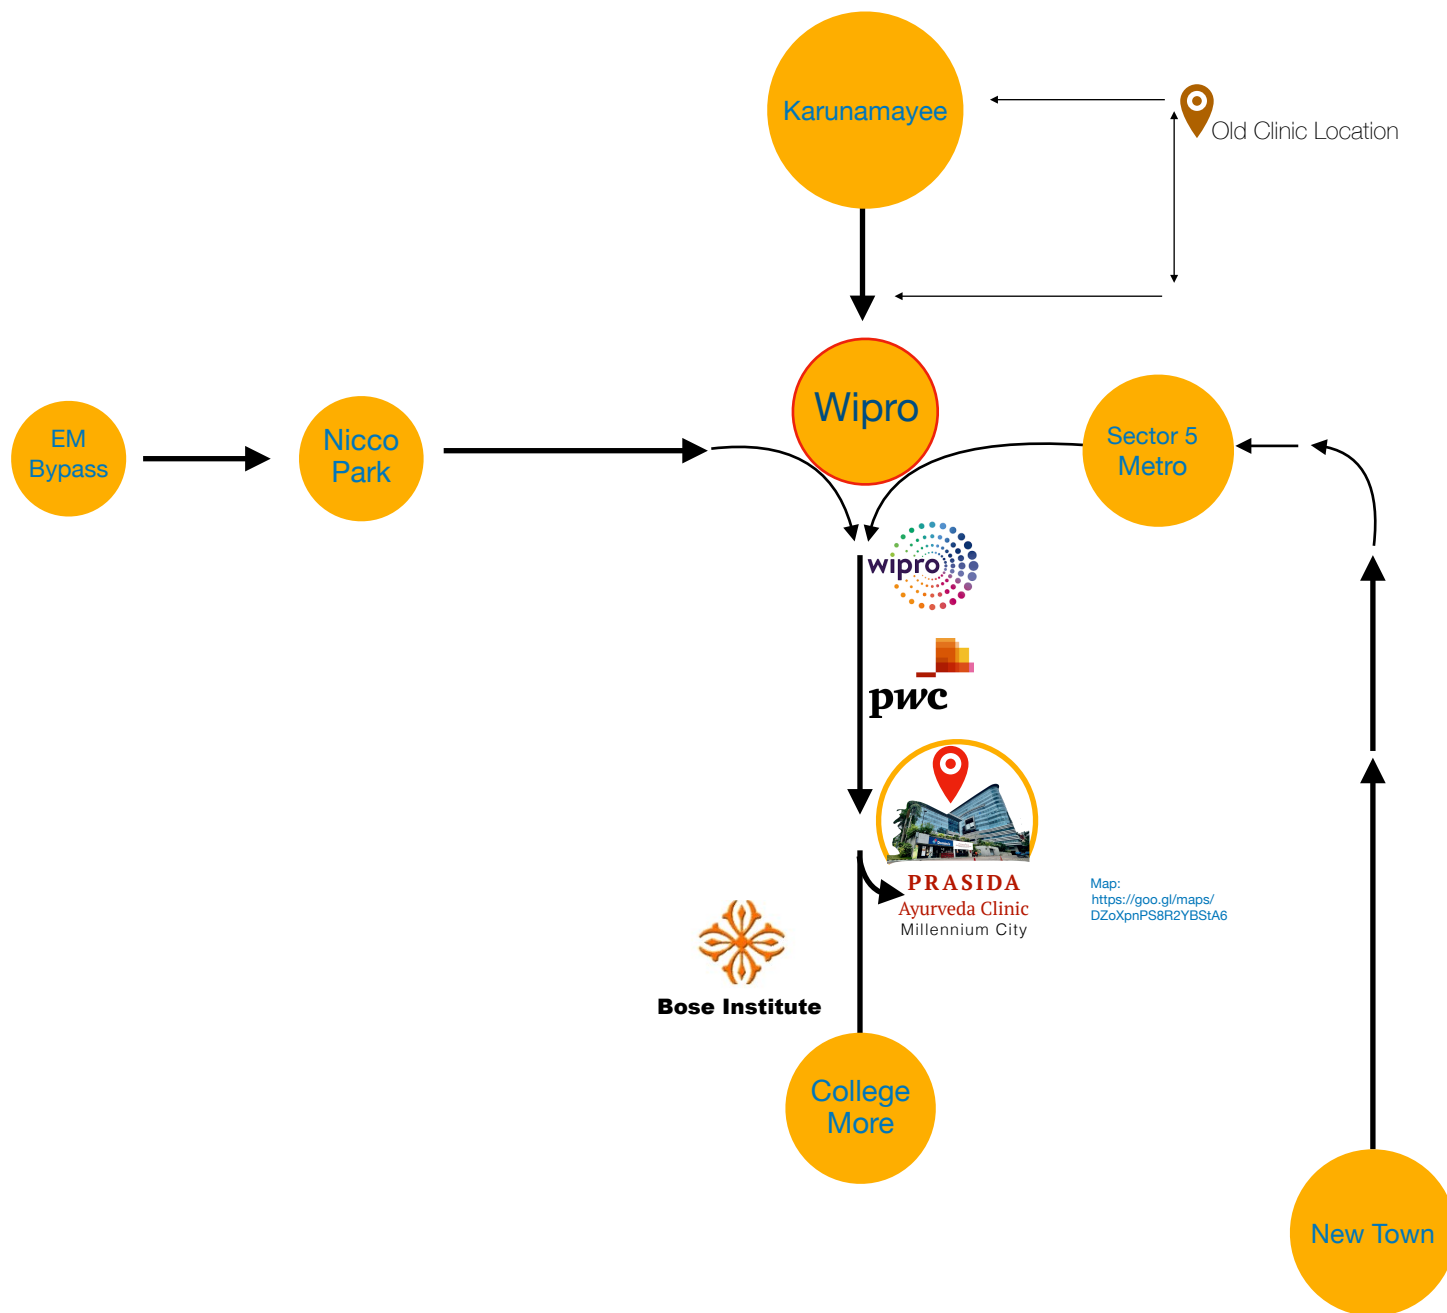

Our address from the 1st of November 2021 :
